Education

G. L. Bajaj Institute of Technology and Management

Bachelor of Technology (B.Tech)

Greater Noida, Uttar Pradesh

Expected Graduation: 2027

Objective

A motivated and enthusiastic engineering student from G. L. Bajaj Institute of Technology and Management with a strong interest in software development and modern web technologies. Eager to apply my technical knowledge in real-world scenarios and contribute effectively to innovative projects. Seeking internships and opportunities in frontend/backend or full-stack development roles.

Technical Skills

Languages: Java, JavaScript, C/C++

Web Technologies: HTML, CSS, Tailwind CSS, React.js

Tools & Platforms: Git, GitHub, VS Code

Databases: MySQL, MongoDB

Projects

Personal Portfolio Website

Developed a fully responsive portfolio using React.js and Tailwind CSS to showcase personal information, technical skills, and contact links.

Payment Application

Created a basic payment transaction web app with features like user login, transaction history, and balance tracking. Implemented form validation, state management, and simulated secure transactions using React and JavaScript.

Certifications

Java Programming - Coursera / Oracle

Web Development Bootcamp - Udemy

Responsive Web Design - FreeCodeCamp
